## Willerby Rio Gold (2011)

The Rio Gold holiday home has been thoughtfully designed to maximise the feeling of space and light. A spacious and functional kitchen benefits from light cupboards and drawers. The spacious main bedroom of this two bedroom model is a real focal point, as not only does it provide a fantastic space, it also features an en-suite WC, a feature more akin with much more expensive models. These surprisingly spacious models include generously proportioned rooms, plentiful storage space, contemporary upholstery and soft furnishings.
